## Quintette 7 of West Point

Comprised of graduates from America's finest music schools, the professional musicians of the West Point Band provide world-class music to inspire the Corps of Cadets in addition to serving as ambassadors of the United States Military Academy and the Army for local, national, and international communities. The West Point Band's chamber ensembles perform for official military functions, social occasions, formal concerts, public service, and educational youth clinics and concerts.

This one-of-a-kind mixed ensemble of three horns (clarinet, saxophone, trumpet) and three rhythm players (piano, bass, drums) will perform a program of original arrangements and works by composer Raymond Scott.

This is a 70-minute program, held outdoors in Asbury's open air chapel. Reservations are recommended for concert seating; lawn seating and "bring your own chair" seating available in the rear of the parking lot. Refreshments will be served following the performance.

### **In case of rain, concert will be held in the Church sanctuary.**

*Reservations can be made online at [www.musicatasbury.com](http://www.musicatasbury.com) or by calling 914-779-3722 and leaving a message with name, phone number, and number in your party.*
